

HERMES – 1470 PEEL

In the heart of Montreal, on the beautiful Peel Street. The arched ceilings of the lobby transport the atmosphere to a more elegant era. In addition to large corporations and tech companies, Hermes is the building of a large community of policy makers and activists. Its tenants include the Institute for Research on Public Policy, The Fraser Institute, Doctors Without Borders, the Metropolitan newspaper, the government relations firm MRCNR and the Institute for Public Affairs of Montreal.
